CASE NO.

The Sheboygan Police Department will begin a new, summer program this year aimed at building and developing relationships in our neighborhoods. Brat with a Cop is a program built around the philosophy that we can bring Police and Citizens together in non-crisis situations to have frank discussions and address community problems. Much like Coffee with a Cop, Brat with a Cop is designed to bring the Police and Citizens together to ask questions and discuss issues. Sheboygan Police officers, with grills and brats in tow, will seek bring the police and community members together to create an opportunity to exchange information, ask questions or to purposefully discuss issues in Sheboygan neighborhoods.

Brat with a Cop is unique to Sheboygan, and capitalizes on Sheboygan's reputation as the "Bratwurst Capitol of the World" and the Sheboygan Brat Fry to provide a local flavor to this type of police-community exchange.

Over the next 3 months, officers will be pulling a trailer that is equipped with grills, bratwurst and fixings throughout our neighborhoods. At opportune times, those officers will set up a very impromptu brat fry. Our goal is to create a friendly, open opportunity to draw people together to share information or just to build a relationship with people. This event is wholly a community oriented event whose aim is promoting positive relationships within the community and giving neighbors a chance to gather and get to know their neighborhood officers and each other.

If you see the Brat with a Cop trailer in your neighborhood, feel free to stop and have a brat on us!

Our special thank you goes out to the suppliers in the Sheboygan Area whose generous donations make this program possible.
