Effective Thursday, September 1, 2016, the Sheboygan Police Department will have accident reports available on-line via our website, www.sheboyganpolice.com. These reports will be uploaded through Carfax at crashdocs.org.

The link on the website will direct you to the on-line accident report database. A computer, printer, access to the internet, and a credit card or debit card to purchase copies will be required. To search for an accident report, simply enter any one of the search criteria. The report is then displayed and available for purchase. The cost of the report will be \$1.00. The option to receive the accident report directly from our agency, as well as directly from DOT (Department of Transportation) still remain. Operational hours for the Police Department front desk are Monday-Friday, 7:30 a.m. - 7:00 p.m., and Saturdays, 9:00 a.m. - 1:00 p.m.
