CASE NO. C17-21075

During the early morning hours of October 2nd, 2017, the Sheboygan Police Department responded to take reports of several burglaries to businesses on the south side of the city. The suspect in these cases entered the businesses by breaking glass windows or doors. Currently, our department has taken reports from ten businesses and the Sheboygan County Sherriff's Department is investigating similar incidents in the county. Based on digital evidence from surveillance photos, it appears that the suspect may be responsible for several of these cases in both jurisdictions.

The attached photos of the suspect are being released in hopes that a citizen might recognize the suspect. If any citizen needs to report additional crimes, or has information about these investigations, they are encouraged to contact the Sheboygan Police or the Sheboygan County Sherriff's Department. Citizens wishing to remain anonymous are encouraged to call the Sheboygan County Crime Stoppers line to give their information and maybe be eligible for cash rewards if it leads to an arrest.
