SHEBOYGAN POLICE DEPARTMENT K-9 FUND

The Sheboygan Police Department has had a K-9 program since 1989. The K-9 Unit has proven to be an important tool utilized by the police to combat crime and build community relations. As current SPD K-9's retire, it is the department's goal to continue to provide this significant service to the citizens of Sheboygan. The current cost of outfitting a K-9 team (officer, K-9, vehicle, etc.) is approximately \$75,000 and is not traditionally funded governmentally. Your police department's goal is to seek assistance from the community in order to raise funds to place two K-9 Units into service in 2018.

K-9s Assist in Many Ways

- Canines are a visible deterrent.
- Canines detect and locate illegal drugs that have been concealed.
- Canines track down criminals who have fled the scene.
- Canines search for missing persons.
- Canines are valuable partners at community presentations.

K9 Bud and Retired K9 Kramer have prevented large quantities of drugs from entering the community. They are responsible for seizure of:

- 60 lbs. of THC
- 1 lb. of Cocaine
- 2,300 doses of Meth
- 900 doses of Heroin
