On May 3, 2019, at approximately 5:00 PM, Sheboygan Police along with the Sheboygan Fire Department responded to the Mead Public Library, 710 N. 8th Street, after library staff located an unconscious male in their restroom. Responding officers located a 28-year-old deceased male in a bathroom stall. The subsequent investigation conducted by Sheboygan Police, Sheboygan MEG and the Sheboygan County Medical Examiner's Office revealed that the victim's death was consistent with a drug overdose.

Further investigation revealed that a 28-year-old female and a 28-year-old male associate of the victim had purchased heroin from a residence in the 800 block of Bluff Avenue in Sheboygan and provided the heroin to the victim just prior to his death.
