The Sheboygan Police Department is currently investigating two burglaries that occurred at south side gas stations within the past week. Both businesses were closed at the time of the incident and no employees were present. The first burglary occurred on 3/25/2020, and the second occurred on 3/29/2020. In each case unknown suspects entered the businesses through an unlocked or improperly locked door. The main target of the burglaries appears to be cigarettes and vaping equipment.

Crimes like these burglaries are often solved after receiving tips from citizens. The Sheboygan Police Department is asking for help from our citizens in identifying the suspects. Photos have been provided.
